Sir:

This is a Supplemental Information Disclosure Statement submitted for the Examiner's consideration. Applicants respectfully request that the Examiner review and make of record the reference identified below.

The reference listed below was cited in an International (PCT) Search Report dated December 10, 2002, for the PCT application corresponding to the above-identified U.S. patent application. A copy of the Search Report, including an indication of the purported relevance of the cited reference, is enclosed. A copy of the reference is also submitted herewith.

A PTO-1449 form listing the reference accompanies this paper. Applicants would appreciate the Examiner's initialing and returning the form to indicate that the reference has been reviewed and made of record. The reference is as follows:

U.S. PATENT DOCUMENT		
Document No.	Issue Date or Publication Date	Name of Patentee or Applicant
5,198,204	3/30/93	Bottaro et al.

This Supplemental Information Disclosure Statement is not intended as a representation that additional information material to the examination of this application does not exist or that

the above reference constitutes prior art to the present application within the meaning of 35 USC § 102.

As this Supplemental Information Disclosure Statement is being filed within three months of the date of the International Search Report (i.e, December 10, 2002) and before receipt of a first Action on the merits, no fee is required at this time. If, for any reason, a fee is found to be necessary, our Deposit Account No. 18-0580 may be charged therefor.

The undersigned hereby certifies that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Statement (37 CFR § 1.97(e)(1)).

Respectfully submitted,

By:
